Diamond Dance LLC Competition Team 2026-2027 Season Guidelines

Please make sure to read the following guidelines thoroughly with your family and child so everyone is aware of the studio's expectations.

DIAMOND DANCE IS KNOWN FOR HAVING HIGHLY REGARDED DANCERS, TEACHERS, TECHNIQUE AND CHOREOGRAPHY AND MUST BE REPRESENTED AS SUCH AT ALL TIMES. IT IS IMPORTANT THAT ALL OF OUR COMPETITION TROUPE STUDENTS, PARENTS, AND STAFF REFLECT OUR PROFESSIONALISM AND PRESTIGIOUS DEMEANOR.

Competition Team Membership

You must audition to join the Diamond Dance LLC Competition Team. Team group classes are required in order to participate in any additional individual routines. The assignment of solos, duos, and trios is based on many different factors, including style, technique, attendance, chemistry, readiness, behavior, and the audition itself. Assignment of such routines is ultimately determined by the Diamond Dance teachers and director (based on these factors) and is subject to change at any time.

Solo/Duo/Trio Requirements: Students must take ballet and one competitive group class (if available).

Two Solo Requirements: Students must take ballet and a minimum of two competitive group classes (if available).

Three Solo Requirements: Students must take ballet and a minimum of three competitive group classes (if available) and must compete their solos at the highest level.

Tuition Policy

Diamond Dance utilizes the free auto-pay service "Pay Simple" for tuition payments. Payments will be automatically charged from the checking/bank account of your choosing on the 10th day of each month.

Checking account information will be taken on the day of registration. Tuition will stop being drafted on **June 10th** and will only resume upon a new registration for a new season. **No Venmo payments allowed.**

Being a member of our competition team is a large commitment that involves other student, parent and teacher's schedules, pay, studio funds, choreography, and costuming. In the event of resignation by any student will affect each of these factors and individuals. For this, competition students are contracted with our team for the full dance season, September through the end of July of each year.

Auto-Payments Policy

Diamond Dance LLC will be auto drafting all payments including tuition, costumes, recital tickets, and competition fees. Diamond Dance does not require email confirmations for any fees drafted. We will, however, send out a Fee List along with the exact draft dates a month prior to any draft. No draft will be extracted without 30 days' notice. If a payment has been drafted, but a student cannot compete, their fee will be credited towards another event. In any other event including a student team departure, Diamond Dance LLC has a no refund policy. If a charge is returned, Diamond Dance will re-draft the fee the following week.

Refund Policy

Diamond Dance will not issue refunds or credits to any monies paid. This includes, but is not limited to competition fees, recital tickets, costumes, tuition, fundraisers, summer classes, performances, and off-premise activities.

Costumes

Warm-up outfits are available for purchase/customization on the Diamond Dance website under the "Studio Shop" tab. We take a team order every fall.

Ballet/Technique Classes: Requirements and Expectations

Ballet is the most important class for all dancers. It is very important that all team members attend their ballet/technique classes and that they are dressed appropriately for all classes.

Ballet Attendance Policy

Once a student has missed 4 ballet classes they will have to complete a private make-up class during their scheduled solo timeslot and attend an additional ballet class the following week.

Private Lesson Attendance Policy

If you cannot make your private lesson due to illness, school event, or personal reasons, **please let the teacher on staff for the day know at least an hour before your lesson time.** Please do this as a courtesy to our director, the teacher of the lesson, and other students whose lessons could be bumped up or down that day. There are no make-ups for private lessons, unless the director or teacher advises one.

If a student will not be attending nationals, **you MUST notify your director IN WRITING at least four months prior to the event.** Students that are in a duo, trio, and/or more than one group are all expected to attend nationals. In the event that a competition student resigns during our dance season, they will be responsible for paying a cancellation fee in the form of a two-month continuation of tuition fees. In this event, automatic tuition payments will stop two months following the date of the dancer's resignation from the team.

Studio Etiquette

ALL STUDENTS SHOULD REMOVE STREET SHOES WHEN ENTERING THE STUDIO. Upon arrival, we ask that students please wait for any dancers to finish their routine/combination/ exercise before entering the studio or to kindly walk behind them. Please enter the studio quietly, so as not to interrupt the class that is currently being held. If students arrive early to their class, they should remain in the waiting room (located in the back of the studio) and stretch until the teacher instructs them to enter the main studio.

Parents Waiting Room Policy

DUE TO COVID19/SAFETY AND LIMITED SPACE OUR POLICY IS A DROP OFF AND PICK UP ONLY. Parents are asked to drop off their children at the beginning of class and return to the studio at the end of class to pick them up, or kindly wait in their car. Although we appreciate you, it is a distraction to our staff as well as to your children to have extra guests at any time. Parents, if you would like to see your child's routine just shoot us an email and we will gladly set up a day for you to pop in!

Studio Questions

We kindly ask that all studio or competition questions are conveyed via email or after the last class of the evening, as we do not want to take away any lesson time from the dancers. Text messaging to our teachers should only be used for last minute scheduling or absentee notice. Please do not text any competition or class questions to any staff members. **All inquiries should occur via email to dancediamonddance@aol.com or by phone: (908)-659-8079.**

We are most reachable Weekday mornings until 1pm.

Competitions

Costumes per routine are \$120. We visit 3-4 regional locations about 30-40min away per season, February-June. Nationals are either the end of June or July and are about 2-4hrs away. Competition fees range per competition. Solos range from \$145-\$180, Duo/Trio \$70-\$90 and Groups are \$70-\$90 PER COMPETITION. Being part of our team is a large commitment consisting of monthly tuition, costume fees, and competition fees. **Please be aware of all fees prior to committing and when selecting classes for the year.**

Regional Competitions

The full competition schedule for the season will be emailed to all parents and posted on the Diamond Dance website. We typically attend 3-4 regional competitions each season, with some competitions being designated for solos, duos, and trios only. **ALL CLASSES ARE MANDATORY THE WEEK BEFORE ALL COMPETITIONS!** The schedule for each competition with details of exact times of each individual routine will be emailed at least two weeks prior to the specific competition. Parents are expected to keep these weekends/week open as we cannot accommodate personal schedules.

Nationals

Our annual week-long National Competition usually occurs in the end of June or early July and is typically 2-4 hours away. If you are in more than one routine, you are expected to stay for the entire week as we have no control over the schedule or when your child will perform. In addition to competing our routines, there are often special events, dance-offs, team performances, and overall award ceremonies planned by the competition. Your involvement in these events may dictate additional days in which you will need to attend the competition. **Again, we advise that you stay the entirety of the week to ensure your availability to compete at any time and can attend any of the extra events of your choosing.** There will always be a hotel block for our team, which will be posted on our website along with more information. If you realize that your child is only performing in the beginning of the week/on a certain day once the schedule is released, you may discuss leaving early or coming for a shorter amount of time with your director.

Competition Attendance

If you need to miss a competition for a school event, family function, or for personal reasons, we ask that you let the studio director and the teachers of ALL your child's routines know at least two months in advance. Missing a competition with or without notice may result in not being allowed to compete in future competitions based on re-blocking and staging. This will depend on the difficulty of spacing/re-blocking and will be at the teachers' discretion.

Covid/Injury/Natural Disaster Lockdown

We understand it was a difficult time for everyone in the wake of COVID-19, especially when planning for the future. In previous years, we successfully conducted online classes following the shutdown, and our staff worked hard to solidify our online teaching methods to bring Diamond Dance to your home. We want to assure our families that we are taking all necessary precautions in order to keep the studio clean and our students safe and will continue to do so.

While we hope that the worst is behind us, we acknowledge the possibility of a future shutdown could occur. We believe it is extremely important to follow state guidelines while keeping up with our technique, routines, flexibility, team spirit, and most importantly, our love of dance. For this reason, **we will immediately transition to online learning and virtual classes in the event of a future shutdown.**

We will be implementing the following policies if needed:

- If a lockdown should occur **between September 1st and January 31st**, we will hold all future classes virtually while granting a **15% discount on monthly tuition** to all parents for the remainder of the season or until classes resume in person at which at that point will return to the normal tuition rate.
- If a lockdown should occur after February 1st, we will hold all future classes virtually **at the regular monthly tuition rate** for the remainder of the season.
- Virtual classes for non-competition students will always be optional.
- IF YOU OR SOMEONE IN YOUR HOUSEHOLD ARE NOT FEELING WELL, WE KINDLY ASK ALL STUDENTS TO SKIP CLASS.
- AS A COURTESY TO OUR STAFF AND FAMILIES, PLEASE LET YOUR STUDIO DIRECTOR KNOW IF SOMEONE IN YOUR HOUSEHOLD TESTED POSITIVE FOR COVID/FLU/STREP. THE STUDIO **WILL NOT** BE HELD LIABLE FOR ANY ILLNESSES SPREAD. PARENTS MAY BE NOTIFIED OF THE IF NECESSARY.

Injury Policy

In the event that a student is injured and out of dance completely for more than eight weeks there will be a credit applied to tuition for the following dance year and or summer classes. If a student is capable of attending dance, taking notes, marking spots, participating in warm-ups, stretch, and floorwork there will not be any credits applied.

Friendship ACT

Diamond Dance LLC has a zero-tolerance policy for bullying or any "mean girl" behavior. Diamond Dance LLC Friendship Act stands for kindness, respect, and acknowledgment of all its studio members and their feelings. All our dancers are learning and growing. Therefore, we offer classes at all different technique levels and ages. All our students should promote kindness and friendship to all other students no matter their level or age. You should always be setting a good example of kindness and sportsmanship. If we see or hear a Diamond Dance student or parent talking badly about another student or causing another student stress or sadness it will result in a warning and written report. After the first warning, the student will be discharged from our studio and a police report will be made. This Act will be in place inside and outside of the studio. We will not tolerate cyber bullying on any social media outlets to our students/staff of any kind.

We hope that these new policies will help ease your mind when signing up for the season. We ask all of our parents and dancers to remember that when you are signing up to be a Diamond Dance Team Member, you are committing to the team from September-July. Whether we are dancing together in-person or remotely, we ALL must remain committed to the team.
