DIAMOND DANCE

SEASON 15 TRYOUTS

Tryouts gives the staff an idea of what you're interested in taking come September. Final class and group decisions will be made by the director and teachers. Email us if you prefer a PRIVATE TRYOUT.

Suggested pre-requisite: 2-4yrs of dance experience. If you do not have any current or past dance experience you are still welcome to come tryout! Remember "hard work beats talent when talent doesn't work."

Groups, duos, trios, and genre of solos are chosen based upon your tryout score and where your director and teachers see the most potential for success. Success in competition as well as dancers capabilities/strengths and how a group may work together. It's important to choose groups that will be happy working with each other as well as thrive together.

Yearly tryouts are open to the public and are required for ALL Diamond Dance company students for level and group placement.

If you are trying out for tap make sure to bring tap shoes. Dancers are to wear all black athletic dance attire with their hair in a bun. We suggest turning shoes or jazz shoes. If you are trying out for our team as a first time dancer, going barefoot is allowed.

We are excited and looking forward to our 15th season! If you are new to Diamond Dance, welcome to a studio that truly cares about the well being of your child, a studio where they will not only grow as a dancer but a person and friend, and a studio that is competitively successful while always maintaining the essence of fun!
